

# Add DB2 10.5 Support

---

Hi Team,

Currently DB2 10.5 not supported by BMC Bladelogic Database Automation Tool. As DB 10,5 is the Major versions from IBM People are directly looking to upgrade their systems from V9.7 to V10.5. Please add DB2 10.5 Support also as soon as possible.

--

This has been delivered in a 8.3 patchset.

Patch 4 for Service Pack 2: 8.3.02.04
